thank you

I am delighted to recognize the contributions of our alumni, parents and friends to the continued mission of Woodstock School. During the past year, we have seen significant improvements to the campus, notably in the completion of the gymnasium, opened in September 2009, and in the soon-to-be-opened senior boys' hostel. We have carried out extensive refurbishment of staff and employee accommodation, provided musical instruments for students, equipped classrooms with data projectors and greatly extended the outdoor program of the Hanifl Centre. This work has been largely possible because of the generosity of our donors. We value you. We value your participation in the development of this school. We thank you for your support.

Dr. David Laurenson
